

CSCCL Tutorials: Fall 2014

Math: Sign up to work on Singapore Math, Khan Academy, Beast Academy, or Art of Problem-Solving. 2x weekly

Reading: Pick a book of your choice and we'll read it together. 2X weekly.

Writing: Work with Kelly on comics and writing projects, or pair up with a friend to work with Katie on the roleplaying project. Work with Bryce for help on grammar and vocab. Write short fiction with Will. 1-2x weekly.

Independent Study (i.e. random stuff) Have a project that you want one-on-one help with, but having a hard time scheduling it? Sign up for a tutorial with a counselor during one of their free slots during the week. Could include stuff like...

Programming: Sign up with Bryce or Will to work on a Processing, Python, or Scratch. 2x weekly.

Test Prep: For help with SAT, SSAT, MCAS, or other standardized test. Katie or Will, 1x weekly.

Research paper: For kids who want a longer-form writing project, sign up for a research writing tutorial. 2x weekly.

Animation: Learn how to make simple animations in Scratch or do live-action with Final Cut Pro. 1X weekly.

Film and Photography: Make your own short films; learn how to use the SLR cameras or do film photography 1x weekly

Shop / Sewing / Building stuff: Hang out with Zach and get some one-on-one time for your projects. 1X weekly

Electronics / Robotics: Hang out with Will and make things blink and spin. 1X weekly

Yes, I want to sign up for a weekly slot: (we recommend no more than 2)
